

ICINT 2025

Melbourne, Australia

March 12-14, 2025

www.icint.org

2025 10th International Conference on Information and Network Technologies (ICINT 2025) aims to provide a leading international forum for researchers, practitioners, and professionals from the industry, academia and government to share their new ideas, progresses and achievements in information and network technologies and related fields. ICINT 2025 will be held in Melbourne, Australia during March 12-14, 2025, which is sponsored by La Trobe University and co-sponsored by University of the Ryukyus.

The conference calls for high-quality, original research papers in the theory and practice of information and network technologies. The conference also solicits proposals focusing on frontier research, new ideas and paradigms in information and networking technologies.

Call For Papers

The main topics of interest include, but are not limited to:

Track 1: Multi-Sensor Processing and Signal Processing

Virtual Reality

Augmented Reality

Active/Passive Sensing

Array Processing, Waveform Diversity,

Space-time Adaptive Processing

Track 2: Digital Communication Technology and Development Technology

Data Communications

Digital Signal and Image Processing

Wireless Communication and Mobile

Computing

Wireless Sensor Networks

Track 3: Advanced Information Systems and Data Management

Advanced Computational Science and Applications

Advanced IT Medical Engineering

Advanced Management Information

Systems and Services

Artificial Intelligence

More details, please view:

<https://www.icint.org/cfp.html>

Important Dates

Submission Deadline: September 30, 2024

Acceptance Notification Date: October 30, 2024

Contact

Conference Secretary: Lucy Zhou

E-mail: icint@iacsitp.com

Submission

Submission Methods:

- Submission System: <https://www.zmeeting.org/submission/icint2025>
- Submission Email: icint@iacsitp.com

Templates:

[Word Template](#) | [LaTex Template](#)

Page Limit:

Each full paper should be with 4 to 8 pages.

Publication

Submitted papers will be strictly reviewed by technical program committee. Accepted papers will be published in **Conference Proceedings**, which will submitted for index by **Ei Compindex** and **Scopus**. The authors of the papers will be invited to participate in ICINT 2024 to share their research results.

Publication News:

The proceedings of ICINT 2023 have been published by CPS and included into [IEEE Xplore](#) and indexed by [Ei Compindex](#) and [Scopus](#). The proceedings of ICINT 2022 have been published by CPS and included into [IEEE Xplore](#) and indexed by [Ei Compindex](#) and [Scopus](#).
